## Volunteer with Side by Side

Side by Side is a new service being developed by the Alzheimer's Society.

The aim of Side by Side is to help people with dementia who feel socially isolated and lonely, who find it difficult to get out and about and take part in everyday activities within their community.

We are looking for volunteers in **your area** to enable local people with dementia to remain engaged with their communities, to take up new interests and hobbies, to access activities or just keep doing the things that they love.

What they do together is based entirely on what the person with dementia wants to do.

**If you are interested in volunteering please contact either:**

Joan Evans, Side by Side Co-ordinator: 01458 251 541

Debbie Payne, Volunteering Officer: 07710 380 218
