CLOSING DATE 10TH DECEMBER 2018

This survey is for residents of Queen Camel and surrounding communities. As many will know, Queen Camel Community Land Trust (CLT) is hoping to buy the old school site, previously occupied by Countess Gytha County Primary School, to benefit the local and wider community.

We are working hard to obtain the necessary grant funding to turn this project into reality and your input is important. By completing this survey, you will help us to clearly identify personal, community and business needs and to involve supporters and volunteers.

Our vision is to create a Community Enterprise and Education Centre that will provide:

- Space and support for artisan type businesses, especially start-ups, with a longer-term goal of taking on young trainees, and for more general office & 'hot desk' facilities.
- Life enhancing facilities and activities and therapies for all ages, especially for those with special needs or disadvantage (e.g. physical, mental, communication, social isolation including carers). These well-being aspects will be supported by charities, Council services and community groups.
- A sensory garden possibly including food growing, tended by young people with special needs, and car parking with one or two electric charging points.

The site will be sympathetically developed in keeping with its historic nature and a Conservation Area, and the interior will be transformed with modern amenities appropriate to its rural setting.

**To find out more please come to our Open Event at
the Memorial Hall, Queen Camel, on
Saturday, 24th November from 10.00 a.m. to 4.00 p.m.**

The CLT has commissioned the Community Council for Somerset (CCS) to conduct this confidential survey. CCS supports people who live and work in Somerset communities and is an independent charity and part of the national network of Rural Community Councils. Please see the CCS Data Statement on the back page. If you need any help completing the questions, please email the Community Council for Somerset: info@somersetccc.org.uk.

For more information about the Old School Site project visit www.qcclt.co.uk.

Data statement

Analysis will be conducted by the Community Council for Somerset. This information helps us to know if we have gained the views of a cross section of the population in Queen Camel Parish and beyond. Individual information will be treated as confidential and anonymous and postcodes will be aggregated. This means that information published will be representative of a group of households and will not identify any individual response. Information is collected and analysed in accordance with CCS' role as Data Controller and Data Processor. If you have indicated your wish to be kept informed about future developments or have offered your help, your contact details will be passed to Queen Camel CLT. If you are a winner of the prize draw your contact details will be passed to Queen Camel CLT for the sole purpose of presenting your prize.
