

## North Cadbury Annual Parish Meeting

North Cadbury Parish Council will be holding its Annual Parish Meeting on Tuesday 23<sup>rd</sup> May 2017 in The Reading Room, North Cadbury Village Hall. Refreshments are provided from 6.30pm before the meeting commences at 7.00pm.

The Annual meeting provides an opportunity for representatives of parish organisations to report on the activities of their organisations and to raise any matters they wish to with the Parish Council or District and County Councillors, who we hope will also be attending.

Members of the public are welcome and encouraged to attend as the meeting provides the perfect opportunity for parishioners to raise any matter or just come along to meet your councillors and fellow villagers!

Do come along and bring one or two others if you wish! We look forward to seeing you there.
