

North Cadbury and Yarlington Parish Council

COME AND HAVE YOUR SAY

In May this year members of the Parish were asked to fill in a questionnaire to inform the Parish Council on matters of housing, business, transport, the community, social and environmental concerns.

The responses to these questionnaires have been analysed and a **'draft report'** will be published in September. If you would like a copy of this draft report please see the link on the Parish website at www.northcadbury.org.uk

Open Meetings

A large number of issues were raised in these questionnaires. If you wish to talk to a member of the Parish Council, about the results from the questionnaires, or any other matter, we have arranged "Open" meetings as follows:

Tuesday 3rd October Yarlington Village Hall

Wednesday 4th October North Cadbury Village Hall

Thursday 5th October Galhampton Church

All the meetings are from 7.00-9.00pm and refreshments will be provided.

We do hope you will join us on one of these dates above – you can of course attend any, not just the one happening in your village if this is more convenient for you. However, there will no doubt be specific issues in each village that will be raised.

The Prize Draw will also be made in each village on these dates.

Thank You!
